Match Rules and Equipment

200 Yard Military Rifle Match (One Relay)

- **Sighters - 5 Rounds in 10 Minutes**
- **First Stage – Prone Slow Fire – 10 Rounds in 10 Minutes**
- **Second Stage – Prone Rapid Fire – 10 Rounds in 80 Seconds**
- **Third Stage – Offhand Slow Fire – 10 Rounds in 10 Minutes**

This is a “fun match” and will closely follow, but not be restricted to, rules for CMP high power matches. Any service grade rifle, service grade sights or scope, 1 1/4” leather or web slings. Ammunition for 30 shots (plus sighters). Additional equipment may include shooting mat, glove, shooting jacket, and spotting scope. Official NRA SR targets and SR target centers will be provided. All shooters are asked to bring staplers, staples, and pasters as needed to repair targets.

Shooters Must Provide Eye and Ear Protection and Ammo

Empty Chamber Indicators (ECI's) Are Mandatory

Rimfire Sporter Matches

Standard .22 LR caliber rimfire sporter type rifles not exceeding 7.5 lbs (including optics). Trigger weight of not less than 3 pounds. Telescopic or open sights may be used. Telescopic sights are limited to maximum 6X power. Leather or web slings, not wider than 1 ¼ “, may be used in prone and sitting (or kneeling) positions.

Additional equipment may include shooting mat (recommended), work-style glove for support hand, and spotting scopes. No thumbhole stocks, banana magazines, cheek pieces, adjustable butt plates, rails, or adjustable sling swivels are allowed. You may use only .22 LR ammo, absolutely no magnum rounds are allowed. Official CMP targets and repair centers will be provided. All shooters are asked to bring staplers, staples, and pasters as needed to repair targets.

Shooters Must Provide Eye and Ear Protection and 60 Rounds of Ammo (Plus Sights) Per Relay

Empty Chamber Indicators (ECI's) Are Mandatory
